August/September 2018

THANK YOU JOHNSON MEMORIAL HOSPITAL

ASSIST Indiana received its formal 501 c (3) designation letter in August.

With our new not for profit status designation we will be officially departing from the Johnson Memorial Hospital Foundation as of October 1, 2018.

We would like to formally thank them for their support in our program and assisting us over the past 2 years and as we continue to grow.

#IBELIEVE CAMPAIGN

We are kicking off our #IBelieve campaign now! #IBelieve is a space where we can support survivors. It is a platform for survivors and those close to them to be believed and supported. We have a goal to reach \$10,000 dollars by the end of the campaign. We will be wrapping up our campaign in April at our first annual, Speakeasy event. You can make contributions to #IBelieve under the donations section on our website assistindiana.org. Your donations will allow us to continue serving survivors and their loved ones at no cost.

SUPPORT GROUPS

Support groups will be starting in September for kids (ages 8-12) and teens (ages 13-17) who have experienced violence. For more information or to sign up please contact Ashley Reagan or Laura DeMougin at 317-739-4456 ext 101.

THANK YOU TO THE LATINO COALITION AGAINST DOMESTIC AND SEXUAL VIOLENCE

This month the Latino Coalition came down to our office to train our staff and some staff from Turning Point Domestic Violence Services in basic spanish. They educated us on how to get basic information from clients who are mainly spanish speaking so that we can help them get connected to needed services.
