Hi! My name is Sophie McKinney. I'm currently a senior in high school. I was introduced to ASSIST when I was 14, and I don't know where I would be without them. I've grown so much and I can proudly say that I'm the Editor-in-Chief of my highschool newspaper, I have four fluffy pups, I enjoy walking and shopping downtown, and I'm overall very content. This newsletter has been a way for me to give back and I'm so happy to reach out to this amazing community that's been nothing but good to me. Thanks for reading a bit about me!

 **'Flushing' out violence**

October is Domestic Violence Awareness Month

On October 1st we will be starting our awareness fundraiser, "Flushing Out Domestic Violence," that will run throughout the entire month of October. Our symbolic prop will travel to different locations throughout the month of October. Where the prop travels to is totally up to all of you (FYI, we already have a list of deliveries to make)!

You can pay to send the prop to a friend, business, company, local office, or community partner (and even remain anonymous). Once a person has received the prop they have a couple of different options:

- \$50 Take it Away
- \$75 To take it away and send to a Friend
- \$100 Insurance (send and ensure it never comes back to you!)

*Directions will be included once received
*Photo's will be taken and posted to our FB page showing support

That being said, if you know someone that you want to send the prop to, it's just \$30 to send it. Contact Tracy at tracy@assistindiana.org to get them on the delivery list right away!
