APRIL AND MAY 2022 EVENTS

PICTURED ABOVE: TAKE BACK THE NIGHT PARTICIPANTS

April was sexual assault awareness month - ASSIST

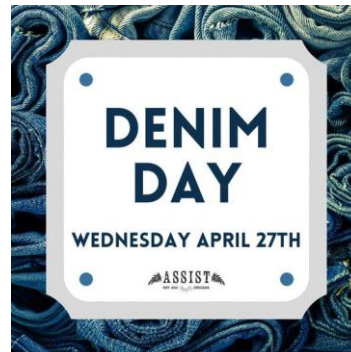

Indiana worked within the community during April to provide comprehensive preventative education and outreach to bring awareness to sexual assaults in Johnson County. Thank you to everyone who participated in the conversations and welcomed us into your businesses and organizations.

Take Back the Night April 2022

We were excited to be partnered with both Franklin College and Turning Point for this year's Take Back the Night on Thursday, April 14th 2022! Thank you to the Daily Journal for your article covering TBTN!

Denim Day April 2022

Wear jeans, support survivors, and educate others! Thank you to the **Johnson County Public Library** for your support and donation!

APRIL-MAY 2022 FLUSHING OUT VIOLENCE

In April and May alone, the toilet was able to reach over 90 members of the Johnson county community! Thanks to community members like you, we were able to receive donations that allow for ASSIST Indiana to directly work within the community to provide services for survivors of physical, domestic, and sexual violence for free.

**The toilet will be back in the fall...
who will see it next?**

**Thank you to those who
dined out in
April to
support our
cause! And
thank you to
our
participating
local
restaurants!**
